

## Minecraft Music

### Cat

This bubbly tune emulates excitement, and a looping beat helps to solidify this. A more ominous, suspicious tone appears towards the end.

### Mall

Feel relaxed with this chill tune. It's slow and light, producing a cooling sensation to the ear.

### Chirp

Don't let its name fool you; this serene tune emits a relaxing vibe, and is reminiscent of elevator music.

### Far

This curious-sounding tune leads the audience into a state of wonder, willing to explore what else is out there. The lands that are far out, waiting to be seen.

### Stal

If you like jazz, this is the track for you. It's got a simple beat, overlaid by some nice brass, all complemented by a strong underlying bass.

### Blocks

Don't worry, it picks up after a few beats. A synth-like melody appears over a tight beat. Later, a sweep washes over the tune, further exciting the rhythm.
